

GET READY TO GO!

Pearson Common Core Institute

LIVE WEBINARS WITH THE EXPERTS

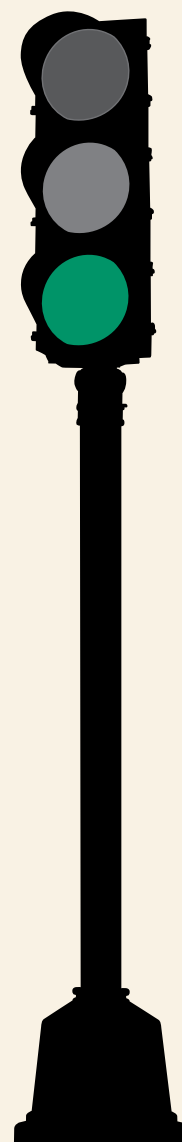

Every Tuesday and Thursday • FEB–MAR 2012

Join us for live webinars offering practical ideas and information for implementing the Common Core. Find out what you can do today to prepare for your professional development and assessment needs. Learn how one school district is managing its transition to the Common Core State Standards—and gain access to tools, strategies, and resources that can help you succeed in yours.
